

A Message from the Executive Director

Dear Residents, Community Partners, and Staff Members,

As we come to the end of the year, I would like to take this moment to extend my sincere thanks to our community. This past year has been one of the most challenging, but it has also brought us together, making us stronger and more united.

To our beloved residents, I want to express my gratitude for your unwavering patience and resilience. Your safety and well-being have been our top priority, and I am proud of how you have all come together to enhance and safeguard your communities. Your strength and determination have been an inspiration to all of us at the Alexandria Housing Authority.

To our community partners, I want to thank you for your generosity and support. Without your assistance and willingness to work with us, we would not have been able to achieve as much as we have. Your efforts have been invaluable, and we are grateful for everything you have done to help us serve our residents.

Finally, to our dedicated staff members, I want to acknowledge your commitment and hard work. You have gone above and beyond this year, and I am truly grateful for your devotion to our mission. Your tireless efforts have had a real impact on the lives of our residents, and it is an honor to work alongside you.

As we look ahead to the new year, I am filled with hope and optimism. Although we may face new challenges, I am confident that we will overcome them together. Thank you all for your contributions to the Alexandria Housing Authority, and I wish everyone a healthy and happy holiday season.

Sincerely,

Stephan Fontenot
Executive Director
